

LEADPRO-CRM

CHIEF MARKETING OFFICER

WITH VISION OF CFO'S & ATTITUDE OF CMO'S FOR BUSINESS NEEDS !!

MODERN MARKETING IS POWERED WITH MARKETING AUTOMATION

– Time M.

“The emerging world is creating a competitive environment. We need to think global, be more creative and leverage on a CRM built for desktop, web and mobile device. It is time to choose a CRM that reflects your business needs for today & tomorrow'.” – Time M.

Certain highlights of the our products includes planning, reminders, assign accounts & tasks, loyalty, multi-level approval, automated emails and integrated document management to address the current and future needs of a growing business.

MAKING INROADS AT THE CORNER OFFICE

A CEO, is constantly thinking about top-line growth, customer satisfaction & loyalty, the competition, and profitability.

LEADPRO-CRM is a modern tool for marketing automation, does not need further integration of any other sales tools & applications in the future thus saving cost and increasing efficiency.

A strong analysis at right time for business design is a strong feature of our LEADPRO-CRM. Portability of device, data security, data sharing between online and offline models is an another feature what makes us different than others.

We believe Marketing is
Dare to be
